I feel like my mind will explode from this obscenity of Russia appropriating [#Holocaust](#) to defend themselves against their crimes that are longer, inspired Hitler and worse than Nazi Germany. Russia is original Nazi ideology. So this will be lesson 🧵 below.

1. Anna's History Class - Part 5 - Russian Holocausts and Antisemitism

Before Russia was federation, soviet empire it was genocidal imperial thing that colonized and erased nations, forcing them into Russification. Jewish people would not be stripped of their identity,

2. So Russia genocide Jews all over their empire in murders called pogroms. Very first pogrom happened in 1821, in [#Odesa](#) where I sit freezing now. Odesa was by far most frequent target of these massacres, but all of Eastern European Jewish people were targets.

3. These murders were not happening fast enough. So in 1903 Russia authored worst antisemitic propoganda in history. This lie would later be used in Nazi propoganda to kill millions of Jews. It is still today used all over world to justify hate.

4. In 1905 my family was killed in Odesa's worst pogrom, first picture. Also it was year of worst Russian genocide of Jews all over Ukraine. It's sick that Lavrov cite Holocaust when Russia just kill children in [#Dnipro](#) because in 1905, this is Jewish children of [#Dnipro](#)

5. These pogroms would be model for Hitler too, like all of Holocaust, Russia was model. Most famous Nazi pogrom was Kristallnacht. As you can in see in general you can't tell difference between Nazi victims 1938 and Russian victims of 1905.

6. But before Nazi Germany, Russian empire fell and became Soviet. They again start killing Jewish people or blaming us for their crimes. In 1932 Russia kill 7 million Ukrainians in Holocaust called Holodomor. They would use Protocol template to create antisemitic propaganda.

7. I lost family then too. But most evil thing Russia get away with is their role in Nazism, which they funded with stolen Holodomor grain. They spent all of history after covering up this crime.

8. Russia was allied with Nazi Germany from 1939-1941, helping them genocide Jews. But Russians pretend that history start in 1942 when Russia joined allied powers Only because Germany betray them. Russia's final solution of Ukrainians prove to Hitler that entire nation
9. Could be eradicated and no one would notice. Cattle cars, camps, mass graves were Russian tools before Germany use them. Then after WWII, world forgot what happened. They forget that Russian soldiers did unthinkable things. Trigger warning for next part.
10. Russian soldiers raped Holocaust victims in camps they liberated. That's kind of savages they were.

11. Then we were hidden behind iron curtain where they continued to terrorize, torture, imprison and kill my family and other Jewish families. During Glasnost it was worse because they blame Jews for Soviet collapse.
