Hey [@RageAgainstWar](https://twitter.com/RageAgainstWar) , you are wrong and your speakers are pro-Putin opportunists with zero conscience. But is any of them brave enough to talk to me for an hour in a public Twitter Space? I am russian, heard you love Russia. And now...
Tagging everyone.

Let's talk about stopping the war, guys. I am ready to hear your propositions. You have some, right?

I am not kidding. I am ready to show you that giving more aid to Ukraine is the only way out of war. Call it Rage against the rushism, if you like.

I encourage all the others to like my invitation, for it to pop up in their notifications all the time. I am 1488% sure they are only brave when talking to their misguided fanbase, which they use for milking money. But maybe I am wrong, uh?

And heeereee weeeeeee gooooo
