3/ Nazis use "88" as code for "Heil Hitler", since H is the 8th letter. One puts 88 in a post on another topic, then others respond with Nazi codes "14" or "1488" to identify each other.

Musk "innocently" tweeted 88 & hid neoNazi "Baked Alaska" saluting w image from behind.

Nov 30 88 (number) - Wik... en.m.wikipedia.org

In neo-Nazism

Nazi graffiti with the number 88

Neo-Nazis use the number 88 as an abbreviation for the Nazi salute *Heil Hitler*.^[11] The letter H is eighth in the alphabet, whereby 88 becomes HH.^[12]

Often, this number is associated with the number 14, e.g. 14/88, 14-88, or 1488; this number symbolizes the **Fourteen Words** coined by David Lane, a prominent white supremacist.^[13] Example uses of 88 include the song "88 Rock 'n' Roll Band" by Landser, and the organizations **Column 88** and **Unit 88**.

This *may* be corporate fraud, as explained in this thread -

The image is a screenshot of a Twitter post. At the top left is the profile picture of Eric John Diesel, a man with short hair and a beard. To his right is his name "Eric John Diesel" with a blue verification checkmark, and below it his handle "@EricJohnDiesel3" and a "Follow" button. In the top right corner of the tweet area is the Twitter bird icon. The main text of the tweet reads: "5-part thread on Corporate Fraud & Conspiracy by a Platform, it's Owner, & remaining Employees." Below this is a quote of another tweet from Eric John Diesel, replying to @alegalnerd. The quoted tweet text is: "1/ There IS screenshot evidence of conspiracy to defraud advertisers. Agreement between Owner, management, and censors, to defraud victims. The scheme was to fraudulently sell ads, by having Owner falsely publicly say he's acting to *decrease* homophobic & antisemitic tweets." Below the quote is the timestamp "8:59 PM · Dec 16, 2022" and an information icon. At the bottom of the tweet are icons for likes (21), replies, and a "Copy link" button. 33/ Musk didn't know 88 was Nazi code for "Heil Hitler" in #3 above?

Not his 1st 88 tweet w accusations of boosting Nazis, didn't multiply tweet other numbers, & tweet context was rage for Musk re-platforming Nazis.

Tweeting 88 in this context is like tweeting 666 to churches.

34/ Musk replatformed Bolsonaro's "88" Nazi forces, personally took over Brazilian Twitter moderation, & personally promoted Brazilian election denial after Bolsonaro lost.

Bolsonaro's son earned his 88 Nazi badge training w Trumpers & was in DC w Ivanka for J6 insurrection.

35/ Musk replatformed Brazilian env terrorists & Nazis & boosted Brazilian election denial, trying to get Tesla factory in Brazil.

Tesla INCREASES climate change if it helps cut down Brazilian rainforest.

37/ Musk's tweets & replatforming is Stochastic Terrorism- "incitement of violent act, which is statistically probable but whose specifics cannot be predicted"

Nazi/antisemite -> hate crimes

Pelosi -> Q-Club shooting

Brazilian -> insurrection

Antivax/antiscience -> mass death

38/ Musk is knowingly causing rejection of scientific expertise & mass deaths in the elderly & scientifically illiterate population, by making false statements that efficacy of 2nd & 3rd COVID boosters has not been established.

Why? To increase Twitter engagement & cut losses?

This seems extortionately high. It also isn't clear whether, all things considered, a second booster helps or hurts.

COVID-19
vaccinations, cases, excess mortality, and much more

[Explore our COVID-19 data](#)

United States: COVID-19 weekly death rate by vaccination status, 50+ 

Death rates are calculated as the number of deaths in each group, divided by the total number of people in this group. This is given per 100,000 people.

Source: CDC COVID-19 Response, Epidemiology Task Force
Note: Unvaccinated people have not received any dose. Partially-vaccinated people are excluded. The mortality rate for the 'All ages' group is age-standardized to account for the different vaccination rates of older and younger people.

39/ Musk allows MEDICAL FRAUD that results in deaths.

Quacks pay Musk to FALSELY advertise that deaths are caused by vaccines, & FALSIFY other info.

Eg, vaccines had nothing to do w Damar Hamlin's death, his doctor didn't say this, & CNN never ran such a story.

FRAUD 📌

SHAME!

40/ Musk FALSELY wrote: "Twitter is arguably already the least wrong source of truth on the Internet".

Half or more of Twitter is FALSE claims of election fraud, vaccine disinfo, anti-science nonsense, quackery, & false political attack info.

There is no reality filter at all!

41/ Musk is using Twitter ownership to spread Russian propaganda & undermine democratic institutions.

Musk is spreading the false conspiracy theory that reliable news sources are secretly controlled by the government, & that they stopped asking government officials questions.

The screenshot shows a mobile interface for a Twitter thread. At the top, the status bar displays 'Jan 20', signal strength, Wi-Fi, cellular service, 84% battery, and '5:08 AM'. 42/ Musk used Twitter ownership to promote Russia's interest in not sending tanks to Ukraine.

NYT: "tanks.. experts say.. would substantially increase Ukraine's ability to drive back Russian forces..

Ukraine's.. military commander.. said it needs.. tanks"

43/ Musk tweeted "the pendulum has swung a bit too far" towards equal rights for LGBTQ people, in the context of harsh new discriminatory laws against LGBTQ people in US states & in Russia.

44/ Musk went full anti-statistics, anti-science, & antivax.

His tweets are pre-scientific superstitious thinking:

Anecdotes, ambiguities, & baseless causation claims.

Not double blind placebo controlled studies w statistical analysis for precise objective probability statements.

I had OG C19 before vaccines came out and it was basically a mild cold.

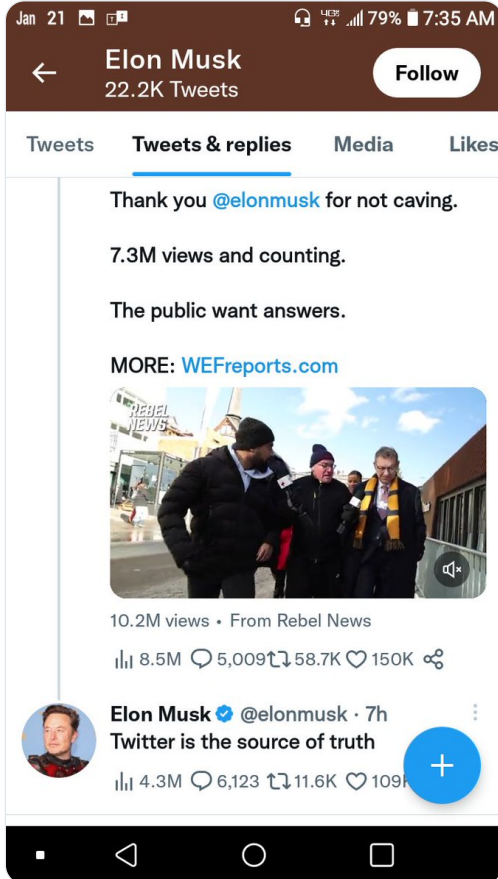

Then had J&J vaccine with no bad effects, except my arm hurt briefly.

First mRNA booster was ok, but the second one crushed me.
