121/ Musk made this entire thread invisible in searches, except to people who follow me, & hid doing it.

This is despite my paying for Twitter Blue, which I only did because Musk made my replies totally invisible.

If he does this to other paying Blues, class action fraud suit?

border, a censored correction

Musk chased PBS off Twitter (#97)

PBS wrote 3K protest march to Mexico City 👇

Fake news acct (#103) copied story & changed destination to US border

Musk boosted lie 👇

Musk censors corrections (#114-116, 119)

TAPACHULA, Mexico (AP) — Around 3,000 migrants set out Sunday on what they call a mass protest procession through southern Mexico to demand the end of detention centers like the one that caught fire

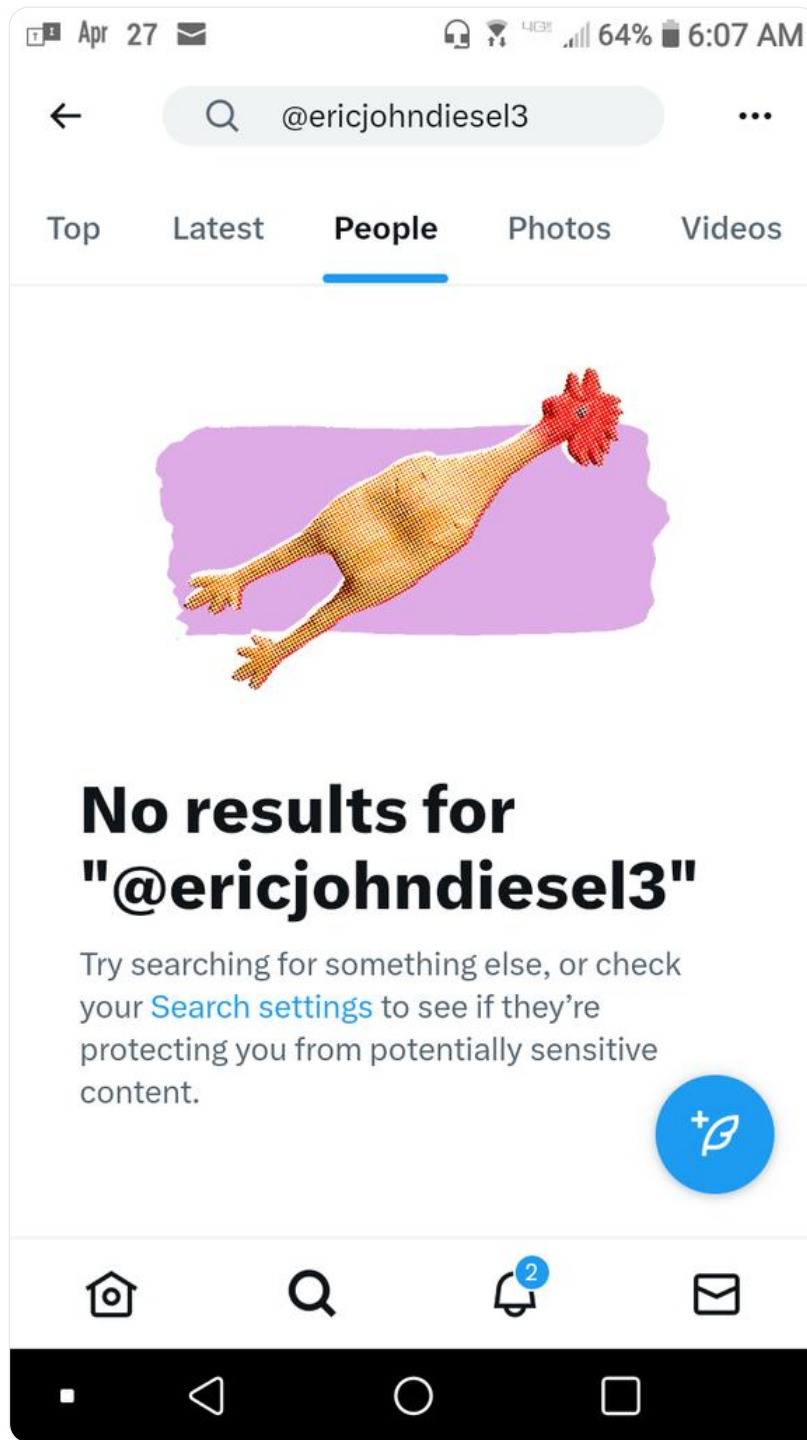

No results for " Musk lied about 3K caravan"

Try searching for something else, or check your Search settings to see if they're protecting you from potentially sensitive content.

122/ Musk made me & my tweets of Musk screenshots invisible in searches.

123/ Musk deboosts & double masks my replies, despite my buying Blue.

Musk:
* deboosts my replies to last
* masks them with "show more replies"
* moves to last again
* then masks with "show additional replies, including those that may contain offensive content"
@TwitterSupport

Judd Legum @JuddLegum · 3h

This is really important. Musk's entire rationale for buying Twitter was to reduce censorship, but it was all BS.

Patrick Pleul/Pool/Ar·

By RUSSELL BRANDOM
27 APRIL 2023   TRANSLATE ⌄

- Since Musk took ownership, the company has received 971 government demands, and fully complied with 808 of them.
- Before Musk, Twitter's full compliance rate hovered around 50 percent; since the takeover, it is over 80 percent.

It's been exactly six months since Elon Musk took over Twitter, promising a new era of free speech and independence from political bias. But Twitter's self-reported data shows that, under Musk, the company has complied with hundreds more government orders for censorship or surveillance — especially in countries such as Turkey and India.

Community Notes is based on aggregate reporting. This means a note has to be

upvoted by a variety of people in order to be shown.

PolitiFact only needs internal approval and is thus subject to less scrutiny then the average community note.

136/ Musk 'likes' the suggestions that vigilante battery & homicide is proper if a homeless person has a prior criminal record, even if the killer didn't know that record at the time of killing.

137/ Elon Musk says dark skin & textured hair makes people commit more crimes than white people!

Musk uses debunked junk partial-statistical methods developed by Hitler's eugenicists to "prove" Jews inferior, to "prove" blacks inferior.

#Tesla Board of Directors is indifferent!

138/ Musk is becoming more overtly racist against blacks.

#Tesla Board of Directors does nothing.

Musk says dark skin makes people more likely to kill each other.

Musk uses same junk statistics used by Hitler's "statisticians" to "prove" Jews are "different". (also see #137 ☝️)

139/ Musk went on racist rant, boosting apartheid/segregationist era "Statistics", to "prove" blacks innately more criminal than whites. (#137-8 ☝️)

Musk boosted erroneous middle-school "math" by Ian Miles Cheong, "proving" Blacks commit 60% of all murders, w/ Asians & Latinos 0%

140/ Musk lied to appear to be a champion of persecuted Christians.

Musk denigrated GenZ protesters of battery & murder of loud homeless man on NY subway, falsely saying they did not protest mass shooting at *Christian* school.

GenZ protests of shooting were large & nationwide ☝️
