71/ Musk falsely claims Tucker vids disprove:

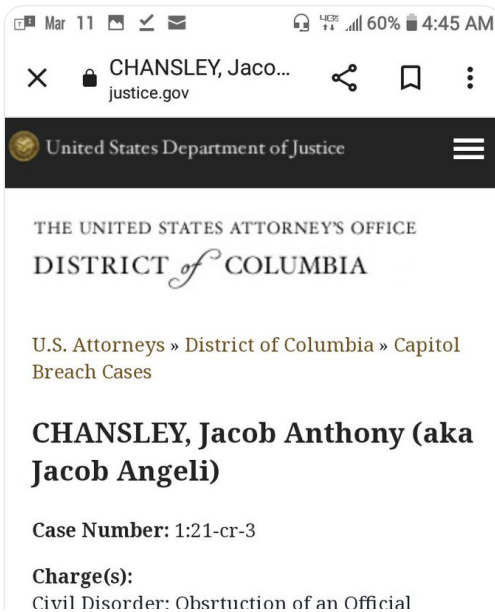

Trump lied about election fraud, & sent angry mob to CLOBBER through police lines then windows, to stop election count.

Outnumbered police just monitored inside, since couldn't make arrests w/o losing forces needed to protect Congress

72/ Musk FALSELY wrote Tucker vids were new, & exhonerated QAnon Shaman Jacob Chansley, who PLEAD GUILTY to FELONY: Obstructing Electoral Count, Entering & Remaining in Restricted Bldg, Parading in Capitol, Disorderly & Disruptive Conduct in Capitol, Violent Entry, Civil Disorder

Proceeding; Entering and Remaining in a Restricted Building; Disorderly and Disruptive Conduct in a Restricted Building; Violent Entry and Disorderly Conduct in a Capitol Building; Parading, Demonstrating, or Picketing in a Capitol Building

being escorted by officers and then thanking the officers.

Fren is a corruption of the word "friend". It is a **dog whistle** used by a subsection of the alt-right, commonly found on the r/FrenWorld subreddit on **Reddit**. The idea is to talk like a small child or intellectually disabled person while still talking about general alt-right **bigotry**, the pattern of which emerged with the aforementioned **Apu Apustaja meme**.^[note 6] Closely connected to the **honkler/Clown World** memes, the Honkler and other **Pepe**s can be seen in many of their memes. After the CringeAnarchy subreddit was shut down when the moderators refused to delete posts calling for **genocide**, many users migrated to the r/FrenWorld,^[205] which was shut down in June 2019. This word is also used by fans of the band Twenty One Pilots, so check the context.^[206]
