A 

The situation with [@PelmeniPusha](#) aka Donbass Devushka goes further than her not being a Ukrainian from Luhansk

Allegedly a woman from Oak Harbor, WA USA

Donbass Devuskha appears to be a US Navy Clerk who was just discharged and allegedly shared Teixeira stolen docs

1/7

Others have identified her name, and recent court filing to change her name, and identified her alleged connections to a tropical fish business - being intentionally vague so as not to dox, Donbass Devushka deleted her LinkedIn and Facebook, but the Internet is forever

2/7

LinkedIn listed her as a clerk with the United States Navy and a check of military records confirmed that a person that shares their name, DOB, address, and LinkedIn dates of entry and exit of the Navy aligns with the DoDMDC

They left at the end of 2022

Why is that relevant? Because Donbass Devushka was one of the original leakers of the top secret Pentagon documents in early March, taken by AIC Jack Teixeira, who was arrested on 4/13

They deny having edited the docs, despite [@bellingcat](#) claim

Donbass Devushka

Russian-style information warfare. All efforts to consolidate all your geopolitical news into one channel. Bringing the multipolar world together.

The original leaker has been identified and sources clearly pre date our post so it's time for us to address the elephant in the room 🐘

Bellingcat had labelled us as a potentially source for the leak that circulated across social networks earlier this month. They also drew speculation on us potentially editing said documents before they were posted. We would just like to officially clarify we did not and would never edit content for our viewers.

Donbass Devuskha has locked her Twitter profile down, but others found this video clip of her, without the fake Russian accent, talking about feeding discus fish - we know the name of the company she was representing

Note the hair style, color, forehead and glasses

5/7

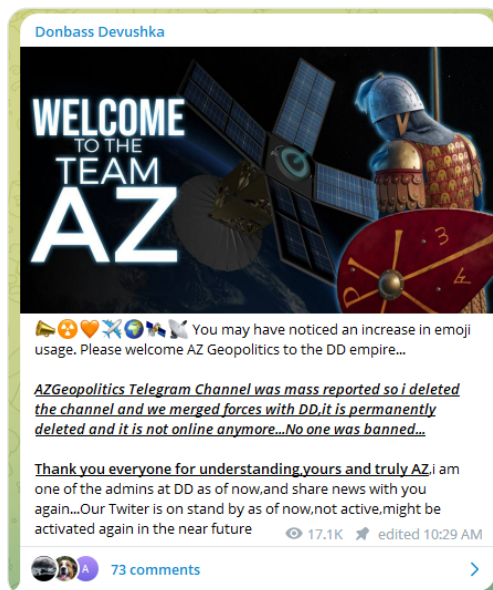

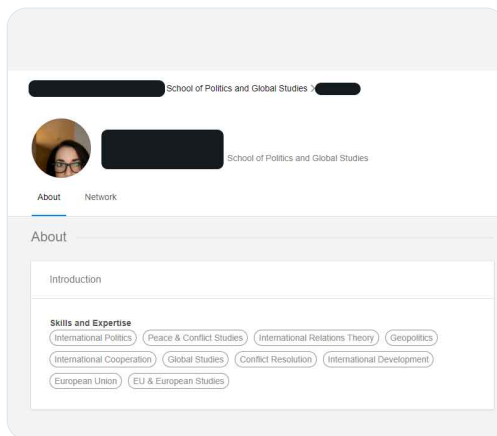

Donbass Devuskha also attends or attended an online college, where they are studying Politics and Global Studies

They had another Telegram using part of the name of the school

They merged with the Donbass Devuskha on 4/13 the same day @jabuttee called out some info

6/7

[@jabuttee](#) One of our team members will attempt to reach out in the morning, Donbass Devuskha would NOT be subject to UCMJ

[@bellingcat](#) [@NYT](#) [@washingtonpost](#) [@AricToler](#) you may find this 📖 interesting

Thanks to [@jabuttee](#) for shining a flashlight on this
